# SAVOX® E-C

## Ear mic/speaker

The SAVOX® E-C is a comfortable and cost effective hands-free solution for discrete and all around communication. It perfectly completes the SAVOX® range of communication accessories as the universal alternative.

The ear piece consists of a vibration sensitive microphone that picks up the voice from the ear bone and an earphone providing excellent sound even in noisy environments.

The intrinsically safe SAVOX® E-C connects to any SAVOX® com-control/ PTT unit adapting to most types of two-way radios.
