### SAVOX® G-series

#### Ultra ergonomic handsfree ear-set

The SAVOX® G-series ultra light ear-set is an ergonomic hands-free communication accessory for professionals on the move - providing ultimate comfort, high quality audio, safety and style never felt before.

The adjustable ear hook provides a comfortable fit and keeps the unit firmly in place – even when driving, running, biking or climbing. The effective speaker and the microphone provide clear sound, even with a high level of background noise. The push-to-talk/hook switch grants instant access to convenient, safe and efficient hands-free communication.

The intrinsically safe SAVOX® G-series ultra light ear-set connects directly or through a SAVOX® com-control/PTT unit to a two-way radio, DECT or even a mobile phone.
